

You may have money waiting for you!

Check the List. You May be Entitled to Unclaimed Capital Credits.

As a member-owner, you share in the financial success of Rappahannock Electric Cooperative (REC). When REC returns a portion of its margins to member-owners through capital credits, some checks go unclaimed, often because contact information has changed.

If you see your name, or have information on how to locate someone on the list, call **800-552-3904** and speak with a member services representative. You also have the option to live chat online by clicking the chat icon here on our website, or you can email us at **office@myrec.coop**.

With your help, we can locate those listed and deliver their checks. If the member-owner or other person legally entitled to the Capital Credits does not claim his or her money within 120 days from publication of the listing on the REC website on November 1, this patronage capital becomes the sole property of REC.

Capital Credits

How You Get Cash Back Over Time

Your Cooperative is a not-for-profit. That means all revenues REC receives through monthly bill payments, beyond the costs for providing electric service, remain the property of our members and are returned in the form of Capital Credits.

The money you pay for electricity every month.
(Revenue)

The cost to maintain and deliver reliable electric service.
(Expenses)

Margins

The money left over at the end of the year after all expenses have been paid are allocated as Capital Credits.
