

You may have money waiting for you!

Check the List. You May be Entitled to Unclaimed Capital Credits.

If you see your name, or have information on how to locate someone on the list, call **800-552-3904** and speak with a member services representative. You also have the option to live chat online by clicking the chat icon here on our website, or you can email us at **office@myrec.coop**.

Capital Credits represent each member-owner's investment in their cooperative. Instead of profits sent to stockholders in faraway places, the Cooperative Business Model means those dollars stay in the local communities served by REC.

With your help, we can locate those listed and deliver their checks. If the member-owner or other person legally entitled to the Capital Credits does not claim his or her money within 120 days from publication of the listing on the REC website on May 1, this patronage capital becomes the sole property of Rappahannock Electric Cooperative.
